

The UCSF Perinatal Outreach Program Presents:

AWHONN Advanced Fetal Heart Rate Monitoring

Thursday March 9, 2023

Registration check-in time: 8:15 am

Class time: 8:30 am – 4:00 pm

Hosted by: Providence Queen of the Valley Medical Center

Room location: Classroom A on 3rd floor (older part of the building)

Objectives:

At the conclusion of this program, participants will be able to:

- Describe physiologic principles of maternal and fetal oxygen transfer as they apply to principles of fetal heart monitoring.
- Recognize fetal cardiac arrhythmia patterns and describe potential outcomes associated with these patterns
- Analyze complex case studies and tracings utilizing standardized terminology.
- Apply perinatal risk management principles, communication techniques and documentation strategies to complex and challenging patient care scenarios.

Facilitator: Meghan Duck MS, RNC-OB, CNS

FEES:

(includes book & shipping cost)

**Providence Queen of the
Valley Staff:**
\$110.00
