

Obstetric High-Fidelity In-situ Supportive Simulation (2 CE)

San Joaquin General Hospital

Thursday June 18, 2026

10:00am – 2:30pm **In-Person in the OB Department*

ALL disciplines encouraged to join! Simulation is a safe (and fun!) way to rehearse low occurrence, high-stakes scenarios. The simulations will take place in the OB department setting and focus on increasing teamwork & communication, with aims to reveal systems issues and create quality improvement within your unit. **Please wear scrubs!**

Instructors:

Meghan Duck MS, RNC-OB, CNS & Alicia Pollak MS, CNM, RN

**Class is FREE for
San Joaquin General Hospital staff!**

Registration:
