

# Simulation & Team Training for Obstetric and Neonatal Emergencies

Presented by:

The UCSF Benioff Children's Hospital Outreach Program  
Wednesday March 8th 2017, 12:30 p.m. to 5:00 p.m.

Hosted by: Community Hospital of the Monterey Peninsula

## **Program Description:**

This simulation session focuses on maternal eclampsia and hypoxic ischemic encephalopathy of the newborn. Participants will actively engage in “hands-on” skills within their department. Team performance will be enhanced and improved communication techniques will be identified. This session will include information on patient safety and emergency team response. Attendees will participate in two low fidelity in situ emergency simulations as a multidisciplinary team. The simulations will be video recorded and debriefing sessions will follow each simulation.

## **Objectives:**

**Upon completion of this program the participant will be able to:**

1. Define situation awareness and explain how it impacts team performance
2. Describe a shared mental model and its importance in team work
3. List four strategies for successful team communication
4. Discuss strategies for follow up, including lessons learned, and use of participant feedback

## **Instructors:**

Valerie Huwe, RNC-OB, MS, CNS and Tanya Kamka RNC-NIC, MSN

## **Location:**

Briefing and debriefing will take place in the Boardroom  
Simulations will take place in the Birth Center

**PLEASE NOTE THAT THIS CLASS IS OPEN TO CHOMP STAFF ONLY**

Provider approved by the California Board of Registered Nursing, Provider Number CEP 12981, for 2 contact hours
