PERINATAL & NEONATAL NURSING CARE CLASSES

Perinatal & Neonatal Supportive Simulation

November 11, 2025 7-1130am (2 CE)

Ever been in the middle of a complicated delivery or neonatal resuscitation and wish you had a “timeout” to think about what comes next?

This day of simulation will be just that! We will go through multiple challenging perinatal & neonatal scenarios with “timeouts” to discuss care management and next steps.

All disciplines & levels of learners welcome!
