

UCSF Pediatric Outreach Program &  
San Joaquin General Hospital presents

# Neonatal Resuscitation Simulations & Workgroup

**June 11, 2026 1300-1700 OR**  
**June 12, 2026 0800-1200**

Join us for an simulation-based workshop designed to strengthen teamwork, clarify roles, and identify opportunities to improve care during neonatal deliveries and transitions to the NICU. ALL Disciplines encouraged to join!

## Goals of the Workshop

- **Strengthen systems processes** across the Birth Center and NICU
- **Improve coordination** during delivery and neonatal transitions
- **Clarify team leadership** and escalation pathways
- **Define roles and responsibilities** during neonatal resuscitation
- **Identify quality improvement opportunities** to enhance patient care
- **Promote interdisciplinary collaboration and communication**

## Facilitated by:

Tanya Hatfield, MSN, Neonatal Outreach Educator  
Sara Paredes, MS, BSN, NICU Educator & Triage Nurse

Classes FREE for ALL SJGH Employees
