

The UCSF Benioff Children's Hospital Outreach Program Presents

**Learner Course**

**Pre-transport/Post resuscitation  
Stabilization Care of Sick Infants**

**For St Helena Napa Staff Only**

**Wednesday March 23<sup>rd</sup>, 2016**

Registration 7: 45 a.m., Class 8:00 a.m. to 5:00 p.m.

**Course Description**

Endorsed in 2003 by the March of Dimes, The S.T.A.B.L.E Program is a post-resuscitation/pre-transport stabilization educational and clinical tool that has been implemented throughout the U.S and in many regions worldwide.

"S.T.A.B.L.E." stands for the six program modules: **S**ugar and Safe care, **T**emperature, **A**irway, **B**lood pressure, **L**ab work, and **E**motional support for the family. A seventh module, Quality Improvement stresses the professional responsibility of improving and evaluating care provided to sick infants. Neonatal assessment and stabilization guidelines are offered in each module. Prevention of adverse events and delivery of safe patient care are stressed throughout the program.

The S.T.A.B.L.E Program module content is based on evidence and best practice that encompasses the process of post-resuscitation care and pre-transport neonatal stabilization.

This program is recommended for health care professionals who provide care for sick infants including, physicians, nurses, midwives, respiratory therapists, licensed practical nurses, nursing assistants, paramedics, and emergency medical technicians.

**Instructors:** Cynthia Jensen RN, MS, CNS and Tanya Kamka RNC-NIC, MS

**Location:** Inglewood Conference Center 821 St Helena Hwy, St Helena CA, 94574
